

Python programming

For those who haven't learned python, here are some resources. You are required to learn python in two weeks. You can choose whatever resources that helps you learn python programming.

1) read through this notebook series: <https://dujiaxin.github.io/gvsu-cis635-26w.github.io/samples/python.html>

2) I teach python programming for undergraduate students and videos were put on youtube (https://youtu.be/88UIqYhnars?si=dLSRwz_w0qjLMOck).

3) The "official" python tutorial (<https://docs.python.org/3/tutorial/index.html>).

4) Python for Applied Computing Github by Professor Erin Carrier (<https://github.com/dujiaxin/python-for-applied-computing>).
